

Notice About 2020 Tax Rates

Property Tax Rates in BLANCO COUNTY EMERGENCY SERVICES DISTRICT NO.2

This notice concerns the 2020 property tax rates for BLANCO COUNTY EMERGENCY SERVICES DISTRICT NO. 2

This notice provides information about two tax rates. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. The voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

This year's no-new revenue tax rate:

Last year's adjusted taxable value (after subtracting value on lost property.)	\$893,888	
This year's adjusted taxable value (after subtracting value of new property.)	\$979,005,498	
= This year's no-new-revenue tax rate	\$0.091300	/\$100
+ This year's adjustments to the no-new-revenue tax rate	\$0	/\$100
= This year's adjusted no-new-revenue tax rate	\$0.091300	/\$100

This is the maximum rate the taxing unit can propose unless it publishes a notice and holds a hearing.

This year's voter-approval tax rate:

Last year's adjusted operating taxes (after adjusting as required by law)	\$673,723	
This year's adjusted taxable value (after subtracting value of new property.)	\$979,005,498	
= This year's voter-approval operating tax rate times 1.035.	\$0.068800	/\$100
x 1.035 equals this year's maximum operating rate	\$0.071200	/\$100
+ This year's debt rate	\$0.021700	/\$100
+ The unused increment rate, if applicable	\$0.000000	/\$100
= This year's total voter-approval tax rate	\$0.0929	/\$100

This is the maximum rate the taxing unit can adopt without an election (or petition for an election as applicable) for voter approval.
